Sport can and does play a major role in promoting inclusion of all groups in society. Sport England is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of people in sports clubs, national governing bodies of sport and Sport England can identify any issues relating to under-representation of different groups and can together develop strategies to ensure all people have an opportunity in the future development and progress in sport.

Please make all cheques payable to Dewlish Cricket Club.
